

league, covering April-May-June-July. Anyone can come and ride any event, but only riders from the four participating clubs are eligible for the 'league' and associated prizes 🏆🏆🏆.

I have agreed to not run a Rhos event if another club is running a league event that week. So Rhos will run about 4-6 events during that time period. Normal Rhos TT schedule resumes at end of July through August and beginning of September.

This will help all Clubs attract more riders to their events, and will give riders a bigger range of courses to work with. This is a trial for 2024. If we don't like it, we don't have to do it in 2025. The final schedule will be confirmed asap.

Feedback from our riders is welcome.

Rhos will try to fit in our usual fun events into the league programme and afterwards. The overall plan will include, as usual

- One 'ladies' evening,
- One 2-up.
- Guest Club evenings for the GOGs.
